

iLabel™ - Floratech Information Instantly

iLabel brings you valuable product information instantly. It provides lot-specific information such as material safety data sheets, certificates of analysis, specifications, safety statements, product information, and links to featured formulas for standard Floratech products. In essence it is an extension of the label - what we would have put on the label if it could fit.

iLabel saves you time by providing instant access to both critical and helpful documents to assist your regulatory and formulation requirements.

iLabel does not require registration, passwords or login. It is simply there to serve you.

Please visit www.floratech.com/info to use iLabel.
