Shaving Oil for Men

Products highlighted: Floramac[®] 10, Floramac Macadamia Oil, Floraesters[®] K-100 Jojoba, Florasolvs[®] PEG-16 Macadamia,

This unique shave oil does not rely on foam or lather to provide a clean, close shave. Instead, the shave oil lubricates the skin and beard in a way that only botanical oils can. Razor friction is reduced, the closeness of the shave is enhanced, and irritation is virtually eliminated when this formula is used. Only a few drops are required to provide a clean, close and smooth shave.
