Particle Size Distribution	TW17	wt. %		
>20 mesh (850 microns)			---	1
>30 mesh (600 microns)			---	10
>60 mesh (250 microns)			85	---
<60 mesh (250 microns)			---	10

<u>Color</u>	<u>Pigment (INCI Name)</u>	<u>Approx. Wt. %</u>
Natural	None	---

Shelf Life (from date of purchase when stored in the original unopened container at or below 35°C)

1 year

Typical Properties are verified on a random basis.

Specification properties are verified on every product lot.

TW Method: Floritech Methods

Pigment loading (approx, wt. %) may vary slightly to maintain consistent color

Availability: Lead time may be required.

FLORABEADS Section

This product is warranted to perform in accordance with specifications and to be free from defects for 12 months from the date of purchase, when stored in the original unopened container, and with proper handling and storage. Floritech's obligation is limited to replacement of the product and is in lieu of all other warranties, expressed or implied. In no event shall Floritech be responsible for any incidental or consequential damages. Fully detailed technical literature is available. The preceding data is provided for the convenience of the user and does not relieve the user of normal liability for inspection of material upon delivery or prior to actual use. No warranty of fitness for a particular purpose is made. Statements concerning the possible use of our product is not intended as recommendations to use our product in the infringement of any patent. Product products contain no animal-derived ingredients and, therefore, cannot carry the Bovine Spongiform Encephalopathy (BSE) disease. Standard products contain no detectable 'trans' isomers and no ingredients derived from genetically modified organisms (GMO).
