TW Method: Floritech Methods

The above-referenced product is warranted to conform to specifications and to be substantially free from defect when purchased and delivered in the original, unopened container and with proper handling and storage. International Flora Technologies, Ltd. ("Floritech") limits its liability for the product to refund of the purchase price (less associated shipping, handling and/or restocking costs) or replacement of the product at Floritech's sole discretion, and is *in lieu* of all other warranties, whether expressed or implied, including the implied Warranty of Fitness for a Particular Purpose and the implied Warranty of Merchantability. Floritech neither assumes, nor authorizes any other person or entity to assume for it, any liability in connection with the sale of said product. In no event shall Floritech be responsible for incidental or consequential damages resulting from the sampling, purchase, re-sale and/or use of said product. Detailed technical literature is available upon request. Test results for verifying compliance with product specifications are rounded to the significant digit reported and are provided for the convenience of the purchaser, reseller, receiver and/or end-user and does not relieve the purchaser, reseller, receiver and/or end-user of liability for inspection of material upon delivery and prior to use. Statements concerning the possible use of Floritech's products are not intended as suggestions to use said products in the infringement of any patent. It is the purchaser's sole responsibility to monitor pendency of customer-supplied product specifications. Where customer-supplied product specifications (or mutually accepted revisions thereto) have been provided with an expiration date, subsequent orders for affected product placed after the indicated expiry will be deemed to constitute a waiver of expiration and the order will be processed with the then most-recent, customer-supplied product specifications or mutually accepted revisions of record.
